be disconnected from Fayette Water Supply Corporation service. I understand that if I should ever want my service reinstated I may have to reapply for service as a new member and I may have to pay all costs as indicated in a then current copy of the Fayette Water Supply Corporation tariff. Future ability to provide service will be dependent upon system capacity, which I understand may be limited and may require capital improvements to deliver adequate service. I also understand that these improvements will be at my cost. I further represent to the Corporation that my spouse joins me in this request and I am authorized to execute this **Request for Service Discontinuance** on behalf of my spouse.
